PROPOUNDING PARTY: Indirect Purchaser Plaintiffs

RESPONDING PARTY: Toshiba Corporation, Toshiba America Inc., Toshiba America Consumer Products, LLC, Toshiba America Electronic Components, Inc., and Toshiba America Information Systems, Inc.

SET NUMBER: Four (4)

Pursuant to Rules 26 and 34 of the Federal Rules of Civil Procedure, the Indirect Purchaser Plaintiffs ("Plaintiffs") hereby request that Toshiba Corporation, Toshiba America Inc., Toshiba America Consumer Products, LLC, Toshiba America Electronic Components, Inc., and Toshiba America Information Systems, Inc. (collectively, "Toshiba") respond to the following requests for production of documents ("Requests"), and produce the documents specified herein, at a location agreed upon by counsel, within thirty (30) days from the date Panasonic receives these Requests.

DEFINITIONS

As used herein, the following items have the meaning indicated below:

1. “You” and “your” mean Toshiba Corporation, Toshiba America Inc., Toshiba America Consumer Products, LLC, Toshiba America Electronic Components, Inc., and Toshiba America Information Systems, Inc., their present or former members, officers, agents, employees, and all other persons acting or purporting to act on their behalf, including all present or former members, officers, agents, employees, and all other persons exercising or purporting to exercise discretion, making policy, and making decisions.

2. The words “all,” “any,” and “each” mean “each and every.”

3. The words “and” and “or” are both conjunctive and disjunctive as necessary.

4. The word “including” is used to illustrate only, and should not be construed as limiting in any way.

5. “Document” shall include all documents and electronically stored information (“ESI”) as defined in Federal Rules of Civil Procedure 34(a). A draft or non-identified copy is a separate document within the meaning of this term.

6. “Employee” means any individual currently in the employ of, or at any time employed by, or acting as the agent of any Panasonic subsidiary, affiliate, joint venture or other related entity.

7. “CRT” means cathode ray tube and includes cathode ray tubes used in color televisions and color computer monitors.

8. “MTPD” shall refer to MT Picture Display Co., Ltd. (f/k/a Matsushita Toshiba Picture Display Co., Ltd.), a joint venture between Panasonic Corporation and Toshiba Corporation, established in April, 2003.

9. “Governmental Antitrust Authority” means any governmental authority, foreign or domestic, responsible for investigating and/or prosecuting antitrust violations.

10. Unless otherwise stated, the “Relevant Time Period” shall mean the period beginning March 1, 1995 and continuing through the present.

INSTRUCTIONS

1
2 1. These Requests seek all responsive documents created or generated during the
3 Relevant Time Period, as well as responsive documents created or generated outside the Relevant
4 Time Period, but which contain information concerning the Relevant Time Period.

5 2. To the extent documents or ESI to any of these Requests have already been
6 produced to Plaintiffs, there is no need to produce those documents a second time. Instead, please
7 provide the Bates numbers of any responsive documents already produced.

8 3. These Requests call for the production of all responsive documents and ESI in
9 your possession, custody or control without regard to the physical location of such documents.

10 4. In producing documents, ESI and other materials, you must furnish all documents,
11 ESI or things in your possession, custody or control, regardless of whether such documents, ESI
12 or materials are possessed directly by you or your directors, officers, agents, employees,
13 representatives, subsidiaries, managing agents, affiliates, investigators, or by your attorneys or
14 their agents, employees, representatives or investigators.

15 5. In producing documents and ESI, you must produce the original of each document
16 requested together with all non-identical copies and drafts of that document. If the original of any
17 document cannot be located, a copy shall be provided in lieu thereof, and shall be legible and
18 bound or stapled in the same manner as the original (to the extent this is known).

19 6. Pursuant to Federal Rule of Civil Procedure 34(b), documents shall be produced as
20 they are kept in the usual course of business and shall be organized and labeled to identify any
21 file number, file name, or any other file identification system utilized by the responding party, as
22 well as the location and custodian of such records. These Requests include Plaintiffs' request to
23 physically inspect any file drawer, filing cabinet or any other storage device where documents
24 responsive to these requests are maintained at the time of the inspection of such documents.

25 7. Documents attached to each other should not be separated. If any portion of any
26 document is responsive to any portion of the Requests, then the entire document must be
27 produced.
28

1 8. All documents produced should be numbered sequentially, with a unique number
2 on each page, and with a prefix identifying the party producing the document.

3 9. Documents shall be produced in such fashion as to identify the department, branch
4 or office in whose possession they were located and, where applicable, the natural person in
5 whose possession they were found (*i.e.*, the document custodian) and the business address of each
6 document custodian.

7 10. Pursuant to Federal Rule of Civil Procedure 34(b)(1)(C), you must produce any
8 ESI in its native format. If ESI in its native format can only be accessed by proprietary or legacy
9 software, you shall provide all information and software necessary to access the ESI.

10 11. If any responsive document was, but no longer is, in the possession of or subject to
11 your control, state whether it (i) is missing or lost, (ii) has been destroyed, (iii) has been
12 transferred, voluntarily or involuntarily, to others, or (iv) has been otherwise disposed of.

13 12. In each instance in which a document once existed and subsequently is lost,
14 missing, destroyed or otherwise disposed of, explain the circumstances surrounding the
15 disposition of the document, including but not limited, to:

- 16 a. the identity of the person or entity who last possessed the document;
17 b. the date or approximate date of such disposition; and
18 c. the identity of all persons who have or had knowledge of the document's
19 contents.

20 13. In the event that you object to any Request on the ground of privilege or attorney
21 work product, a statement shall be provided as to each document which includes:

- 22 a. the name of the document author;
23 b. the name of the document's recipient;
24 c. the names of the persons to whom copies were sent;
25 d. the job title of every individual named in (a), (b), and (c) above;
26 e. the date the document was created, sent, or received;
27 f. the location of the document;
28 g. the custodian of the document;

- 1 h. a brief description of the nature and subject matter of the document; and
- 2 i. a statement of the privilege asserted and each and every fact or basis upon
- 3 which a privilege is claimed or on which the document is otherwise withheld.

4 Notwithstanding the assertion of any objection to production, if a document contains non-

5 objectionable or non-privileged matter, please produce that document, redacting that portion for

6 which the objection is asserted, provided that the identification requested in paragraphs (h) and (i)

7 above are furnished. A log itemizing each of these documents and this corresponding information

8 that forms the basis for your objection on privilege or work product grounds shall be served

9 contemporaneously with your responses to these document requests.

10 14. Each document should be produced in its entirety and without deletion, redaction

11 or excisions, except as provided by Instruction 12 above, regardless of whether you consider the

12 entire document or only part of it to be relevant or responsive to these Requests. If you have

13 redacted any portion of a document, stamp the word "REDACTED" beside the redacted

14 information on each page of the document which you have redacted. Any redactions to such

15 documents produced should be identified in accordance with Instruction 12 above.

16 15. The following Requests are continuing in nature pursuant to Rule 26(e) of the

17 Federal Rules of Civil Procedure so as to require the prompt production of supplemental or

18 additional responsive documents when you become aware of such, up to and including the time of
